## St. Robert's Prayer Garden

"God Will Grow On You"

The flowers in the garden must be related to the "Energizer Bunny"....they just keep going and going and going. Many varieties are still in full bloom and some of the mums haven't even started to bloom yet! Parishioners are loving the new spiral art pieces; go visit the garden and check them out in person, or see pictures of them on the prayer garden page of the SRB website. The garden page is under the SPIRITUALITY AND MINISTRY section. What a Creator we have! The shapes, sizes, colors and fragrances of all the flowers on the planet attest to God's glory. Don't you wonder how God folds all the tiny petals of a flower into that little bud? Go to the prayer garden page on the SRB website and click on the LIFE OF FLOWERS link to watch a stunning 2 minutes video that uses time lapse photography to show how a bud transforms into a flower.
