

## St. Robert's Guild Membership Registration for 2027

Dear Women of St. Robert's Parish,

The St. Robert's Guild is a vibrant group with so many facets. There are social circles and three Pillars of Service with quite a few committees within each. When you officially join the Guild, you can choose your level of participation. Dues alone go toward causes supporting scholarships, parish events, EPS, and more. The Guild was the very first organization established when St. Robert's was founded in 1966. We have a rich history. All women of the parish are invited to be a part of it!

Sincerely,  
Lindsay Harm  
2027 Guild President

- ☐ Supporting member only. I would love to support the Guild but will not join a circle or committee at this time.
- ☐ Active member. Sign me up! I would love to join a circle or a committee under a Pillar of Service.

**CIRCLES** - meet several times a year with the goal of fostering friendships and sharing common experiences. If you are interested in getting together with women to share and socialize, select a Circle that you would like to receive information on activities. You may join as many as you want or none at all.

☐ St. Monica Circle: Find Community

This group is for women who would like to meet for socializing and community building. These women are mostly moms of school-aged children. Examples of some activities: Circle in the Circle, Easter Egg Hunt and other opportunities to connect with others.

☐ St. Elizabeth Circle: On a Wing and a Prayer

Members of this circle meet to pray, visit, and build community. Examples of some activities: Game Night, Hospice House Meals, Stephen's Center.

☐ St. Genevieve Circle: Been There, Done That

This circle's main focus is fostering and maintaining friendships and supporting the work of the Guild. No projects, just fun and fellowship. Examples of some activities: EPS Spring Brunch, St Francis House.

**PILLARS OF SERVICE:**

Our goals of faith and friendship are supported through our three Pillars of service. Please mark your area(s) of interest, and you will receive communication via email on opportunities available to participate.
